PERSONAL PROFILE

A passionate and hardworking Computer Science graduate from Lancaster University, seeking a software engineering role to apply and improve my skills in a practical environment whilst contribution positively to the organisation.

WORK EXPERIENCE

Teaching Assistant – Lancaster University (Jan 2025-May 2025)

- Assisted students to learn functional language (Haskell) concepts in the advanced programming module practicals
- Supported professors run the group project practicals

SKILLS

PROGRAMMING	Java	JavaScript	HTML/CSS	Dart	SQL	C
PERSONAL	Teamwork	Problem-Solving	Communication	Time Management	Critical Thinking	
TECHNOLOGIES	React.js	Swing (Java)	Git	Flutter (Dart)		
LANGUAGES	English	Ukrainian	Russian			

PROJECTS

CSPPT (COMPUTER SCIENCE POWERPOINT)

- Developed a PowerPoint application for a group project with unique computer science features like live coding during the presentation and software engineering graphs
- Created using Java and the Swing library (for the GUI) with JSON to save the files, whilst using GitLab for version control
- Required strong collaboration, time management, communication skills and work ethic to complete the project
- Solidified my use and understanding of object-oriented programming (OOP)

CAR TRACKING APPLICATION

- Created an application to scheduled and notify users about upcoming services while tracking completed services, vehicle expenses and the fuel efficiency of the cars
- Used Dart with the Flutter framework for the front-end and Drift to store a local database on the device

PORTFOLIO WEBSITE (KYRYLO.UK)

- Developed a website in the style of the Ubuntu desktop or an IOS device depending on the user's device to display my portfolio of projects
- Used JavaScript and the React.js library for the front-end

EDUCATION

Lancaster University (2022-2025), *BSc Hons Computer Science: First-class*

Northgate Sixth form (2020-2022), *A-Level: Maths, Physics, Economics, EPQ*

VOLUNTEERING

HELP DELIVER AID TO UKRAINE (Mar 2022 – Jun 2022)

Volunteer and team leader

- Used strong leadership and teamworking skills by being part of and managing a team of volunteers tasked with packing lorries with humanitarian aid
- Additionally raised over £8000 for the charity by creating/running a [social media](#) which I used to promote the fundraiser

UKRO-SAXONS (Jul 2022 - Present):

- After 5 lorries of aid were delivered the team progressed to sending 4x4 vehicles packed with humanitarian aid
